The 80th Annual Member Meeting of Choptank Electric Cooperative, Inc. (“Cooperative”) was held at The Wicomico County Youth and Civic Center, in Salisbury, MD, on Thursday, April 26, 2018. Registration and voting by Members in person began at 4:30 p.m., followed by refreshments for all in attendance.

Mr. Robert Behlke, Vice President of Member Affairs, called the meeting to assembly at 5:50 p.m. He announced to the Members that the business meeting would start at 6:00 p.m. and that the polls would remain open until shortly after the portion of the meeting devoted to the bylaws amendments for any qualified Member who wished to vote and had not done so.

The meeting was called to order at 6:00 p.m. by Olin S. Davis, III, Chairman of the Board of Directors of the Cooperative and Director from the Kent County Director District. All Cooperative Directors were in attendance, as were President & CEO, Michael I. Wheatley, Recording Secretary, Dawn M. Bowie, and Board Attorney, H. Michael Hickson.

The National Anthem was played.

Mr. Matthew R. Holloway, Director from the Wicomico County Director District, led everyone in the Pledge of Allegiance.

Mr. Carl R. Widdowson, Director from the Somerset County Director District and past Board Chairman, gave the invocation and asked for a moment of silence for Cooperative employees and Members who have passed away during the past year.

Chairman Davis welcomed everyone to the 80th Annual Member Meeting, and gave a brief history of electric cooperatives in our Country.

The Chairman announced that there were more than 50 registered Members present in person at the meeting, and declared that a quorum was present.

Chairman Davis introduced the Board of Directors and others on stage.

Michael I. Wheatley, President & CEO of the Cooperative, introduced his staff and employees, and commended them for their hard work and dedication to the Cooperative.

Mr. Wheatley asked Senator Addie Eckhardt to give a few remarks.

At the request of Chairman Davis, a motion was made, seconded and duly carried by the Members to dispense with the reading of the notice of the 2018 Annual Member meeting.

Chairman Davis noted that the minutes of the 2017 Annual Member meeting had previously been approved by the Board, as indicated by Robert's Rules of Order, and had been posted on the Cooperative's website since May of 2017.

Mayor Jacob Day of Salisbury addressed the group.

Chairman Davis called on Mr. Jeffrey D. Rathell, Sr., Vice Chairman of the Board, Director from the Talbot County Director District, and Chairman of the Governance Committee, who introduced the 2018 Bylaw Amendments as recommended by the Board to the Members (the "Bylaw Amendments") and made the following motion:

"By direction of the Cooperative's Board of Directors, I hereby move the adoption by the members of the Cooperative of the Bylaws Amendments, as distributed with the notice of this meeting and posted on the Cooperative's website, with the following proviso:

"That the Secretary of the Cooperative be authorized to make non-substantive corrections, such as article and section designations, headings, cross-references, and such other non-substantive, technical and conforming changes as may be necessary to reflect the intent of the membership in connection with those Bylaws Amendments."

Chairman Davis noted that coming from the Board of directors, the motion required no second, and asked whether any Member had any objection to the proviso that the Secretary of the Cooperative be authorized to make non-substantive corrections, such as article and section designations, headings, cross-references, and such other non-substantive, technical and conforming changes as may be necessary to reflect the intent of the membership in connection with those Bylaws Amendments.

Hearing no objections, Chairman Davis declared the above-described authorization to the Secretary to be granted, after which Chairman Davis requested that Mr. Rathell take comments and questions from the Members regarding Bylaws Amendments.

Mr. Rathell then, with respect to each of the ten (10) Articles in the Bylaws Amendments, repeated the number, title and a general description of the content of the Article, called for questions and comments relating to that Article, and continued to call for questions and comments relating to that Article until there were no further questions or comments from the Members before going to the next Article and repeating the same process, until the same process was exhausted with respect to each of the ten (10) Articles of the Bylaws Amendments. It was noted that there were no questions or comments from the Members regarding the Bylaws Amendments.

Mr. Rathell asked for questions from the Members regarding any part of the Bylaws Amendments, to which it was noted that there were none.

President & CEO Michael I. Wheatley recognized other guests and dignitaries.

Chairman Davis then declared the polls closed except for those Members who were then in line at the voting table in the lobby waiting to vote or actually voting.

Chairman Davis called on Mr. John J. Burke, Jr., Secretary, Treasurer and Director from the Cecil County Director District, to present the Treasurer's Report for the year ended December 31, 2017. The Treasurer's Report included a PowerPoint presentation with excerpts from the independent auditor's report of Adams, Jenkins & Cheatham, CPAs, (hereafter "Auditor's Report") relating to its audit of the financial statements of Choptank Electric Cooperative, Inc. and Subsidiary (collectively the "Cooperative"), which comprise the consolidated balance sheets as of December 31, 2017 and 2016 and the related statements of operations and comprehensive income, equities, and cash flows of the Cooperative for the years then ended, and the related notes to the consolidated financial statements (collectively the "Financial Statements"). The Auditor's Report (including the Financial Statements), which was posted on the Cooperative's website prior to the annual Member meeting and was made available to Members at the meeting, stated, in part, that the Financial Statements "present fairly, in all material respects, the financial position of the Cooperative as of December 31, 2017 and 2016, and the results of its operations, changes in equities, and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America."

Chairman Davis then called for and received a motion duly made, seconded and carried by the Members at the meeting to adopt the audited Financial Statements of the Cooperative.

He reported that the Choptank Trust awarded grants totaling over \$300,000 in 2017 to various individuals and organizations in the Counties served by the Cooperative; and seven (7) \$2,000 scholarships. Since 2003 the Trust has awarded grants totaling \$4.1 million. Mr. Wheatley then recognized his Senior Staff.
