

Chop-A-Watt Home Energy Saver Program Weatherization and Repair Fact Sheet

The Chop-a-Watt Program provides grants for weatherization and related repairs for Choptank Electric Cooperative members who qualify.

Who may apply for this program?

- Homeowners living in a single-family home, duplex, or mobile home
- Renters - on case-by-case basis
- Members of the Choptank Electric Cooperative
- Those who income qualify

What is the eligible area?

Choptank Service Territory within Kent, Caroline, Queen Anne's, Talbot, Dorchester, Somerset, Wicomico, and Worcester counties.

How may funds be used?

To weatherize the home in order to increase energy efficiency and reduce utility bills.

Weatherization may include:

Air sealing, insulation, lighting & appliance replacement, or any measure with a strong energy savings.

Are matching funds required?

No, but program participants may contribute additional funds to increase the impact of the weatherization.
